

For blurry eyes and tired eyes

Sante 40 Gold®

Maximum concentrations of chondroitin*. Moisturizing and refreshing!!

*Maximum concentrations in manufacturing license standards for nonprescription ophthalmic drugs

Features

In general, overuse of eyes and aging make eyes susceptible to symptoms such as blurry eyes* and tired eyes and difficult to recover from these symptoms. For easily tiring eyes, eye care supplementing nutrients such as vitamins to eyes is important.

Sante 40 Gold is an eye drop effective for blurry eyes and tired eyes containing sodium chondroitin sulfate for cornea protection and nutrients (vitamins and amino acids) for revitalizing eye functions. *For increased eye mucus

Indications

Blurry eye (increase in eye mucus, etc.), tired eye, hyperaemia of conjunctiva, itchy eye, prevention of eye disease (after swimming, after dust and sweat entering eye, etc.), blepharitis (soreness of eyelid), ophthalmia due to light rays such as ultraviolet rays (snow ophthalmia), discomfort while wearing hard contact lens

Dosage / Administration

Instill 1 to 3 drops at a time, 5 to 6 times daily.
