

For tired / red eyes, prevention of eye disease

Sante BIO[®]

Features

In the age of information society, our eyes are increasingly overused resulting in more frequent development of unpleasant symptoms such as tired eyes, red eyes, and blurry eyes.

Sante BIO is an eye drop for tired / red eyes containing well-balanced seven active ingredients including vitamin B₁₂ (cyanocobalamin) for revitalizing muscles responsible for adjusting focus (ciliary muscle), neostigmine methylsulfate for improving the focus adjustment mechanism, and chlorpheniramine maleate for relieving inflammation of eye.

Indications

Tired eye, hyperaemia of conjunctiva, prevention of eye disease (after swimming, after dust and sweat entering eye, etc.), blurry eye (increase in eye mucus, etc.), itchy eye, blepharitis (soreness of eyelid), ophthalmia due to light rays such as ultraviolet rays (snow ophthalmia), discomfort while wearing hard contact lens.

Dosage / Administration

Instill 1 to 3 drops at a time, 5 to 6 times daily.
