

For tired eyes and blurry eyes

# Sante Kaiteki 40

Pleasant Drops for Tired Eyes

## Features

Declining eye focus adjustment due to aging and overuse of the eyes is considered to cause tired eye and blurry eye.

Sante Kaiteki 40 contains naturally occurring vitamin E to promote blood circulation and provide an antioxidant effect, and neostigmine methyl sulfate to improve focus adjustment, thus improving tired eye and blurry eye (due to excessive eye mucus). Sante Kaiteki 40 refreshes your eyes.

## Indications

Tired eye, blurry eye (increase in eye mucus, etc.), hyperaemia of conjunctiva, itchy eye, prevention of eye disease (after swimming, after dust and sweat entering eye, etc.), blepharitis (soreness of eyelid), ophthalmia due to light rays such as ultraviolet rays (snow ophthalmia), discomfort while wearing hard contact lens.

## Dosage / Administration

Instill 1 to 3 drops at a time, 5 to 6 times daily.
