

For red / tired eyes

Sante Pure[®]

Moisturize your eyes for relieving red and tired eyes

Features

Have you ever felt that your eyes look red or that your eyes are tired when looking at your face in a mirror? Women's eyes are under various stresses such as overuse of eyes from use of personal computer, long-time contact lens use, and dry indoor environment.

If you do not take care properly, you may experience troubles such as red / tired eyes.

Sante Pure dose not only relieve hyperaemia of eye but also moisturize your eye to revitalize your tired eye giving you a refreshing sensation.

Indications

Hyperaemia of conjunctiva, tired eye, ophthalmia due to light rays such as ultraviolet rays (snow ophthalmia), itchy eye, prevention of eye disease (after swimming, after dust and sweat entering eye, etc.), discomfort while wearing hard contact lens, blepharitis (soreness of eyelid), blurry eye (increase in eye mucus, etc.)
